An email will be sent to the authorized user with instructions to activate their account. This email will include a URL to activate the authorized user account. Authorized Users will be prompted to enter the following information:

- Email Address
- First and Last Name
- Create a password

Authorized Users created with an OHIO email address (@ohio.edu) will be able to log in with their OHIO ID and password that is used for accessing systems such as Workforce, Oracle, PeopleSoft, and email.
Expired Token

When the student grants authorized user access, the authorized user is sent an email which includes a specific URL that identifies the user with a temporary token password. This URL is valid for 48 hours (7 days for migrated accounts in May 2016). If the account is not activated with the designated URL within 48 hours, the student can resend a new activation URL by completing the following steps:

- Sign in to the My OHIO Portal
- From the Accounts tab, sign in to your My OHIO Student Center
- Select "Authorized User Portal" (located in the Finances section)
- Click the authorized user name on the left menu bar
- Click to send another email to the authorized user with a new URL for activation of account
Password Reset

Authorized Users can reset their password.

- Choose the Authorized User Password Reset from the left menu on www.ohio.edu/bursar
- Enter the authorized user email address and click ‘Request Reset’

An email will be sent to the authorized user with instructions to reset their password. This email will include a URL to initiate the password reset.
