About Patton College

The Gladys W. and David H. Patton College of Education strives to be an equitable, effective, and interactive learning community that makes a difference to education and human development through excellence in teaching, scholarship, and service.

The Gladys W. and David H. Patton College of Education fosters graduates who are CALLED TO LEAD: Change Agents who are Lifelong Learners committed to Embracing Diversity and LEADership.

About Ohio University

Established in 1804, Ohio University is the oldest public institution of higher learning in the state of Ohio and the first in the Northwest Territory. Ohio University is fully accredited by the North Central Association of Colleges and Schools, as well as by a number of professional accrediting agencies.

Together with our five core values of community, citizenship, civility, character, and commitment, this sense of pride defines who we are and helps to clarify the promise of what it means to be a member of the OHIO community.

Physical Activity & Sport Coaching Program (B.S.P.E. degree)
Physical Activity and Sport Program

Objective

The physical activity and sport coaching (PASC) major is designed to be inclusive for students who aspire to pursue physical activity and sport coaching careers. The PASC major (BS8106) provides students with the knowledge, skills, and opportunities to fulfill their educational needs and interests through quality academic coursework, student centered and experiential-based learning and faculty expertise.

Through the professional internship, students develop partnerships with future prospective employers and stakeholders in the field of physical activity and sport coaching. After successfully completing the major requirements, students will be awarded the Bachelor of Science in Physical Education (B.S.P.E. degree, non-licensure).

Physical Activity and Sport Program Highlights

• Students have the opportunity to engage in a professional internship related to their chosen physical activity and sport concentration.

• Coaching Education Minor is integrated into this PASC Major.

• Curriculum is built around NASPE’s “Eight Domains of Coaching” to provide a performance guide for individual professional growth and skill development.

• PASC Career Pathways:
By completing this PASC major, students will have many opportunities to select their career, such as:

• Youth sports coaching
• Club sports coaching
• Physical activity and sports camp coaching
• After-school sports coaching
• Interscholastic and intercollegiate sports coaching
• Physical activity and sport coaching graduate program
