You may register for International Student Orientation (ISO) by logging into the icats platform [https://icats-admin.provost.ohio.edu/istart/controllers/start/start.cfm](https://icats-admin.provost.ohio.edu/istart/controllers/start/start.cfm)

As a new student in Ohio University's incoming class, you are required to attend International Student Orientation August 15-24. **Online registration is now open** for this exciting introduction to your college experience at OHIO.

You will need your OHIO ID and password to log in to the icats system. Registering for orientation is a two-step process.

**Step 1:** Log in to the **icats system** and select "Orientation" or the plus sign (+) on the left panel. Then select "Report Arrival Date" and follow the prompts.

**Step 2:** Log in to the **icats system** the following day (the system updates overnight) and select "Orientation" or the plus sign (+) on the left panel. Then select "Register for International Student Orientation". The system will automatically place you in the mandatory sessions you are required to attend, however you can chose which social events to attend. Take some time to read through the social events listed and select the ones you are interested in attending. Once you have done this click “Generate Schedule” at the bottom of the page.
You will be able to click on **ORIENTATION SCHEDULE** and retrieve it. You will also be able to print it.

At ISO, you will complete important paperwork, learn about resources available to help you succeed, and meet your fellow international students, known as Bobcats. Here is some information about what you can expect. If you have a schedule conflict please contact ISFS at [isfs@ohio.edu](mailto:isfs@ohio.edu)
